THINGS TO REMOVE FROM YOUR RESUME/CV

Unprofessional Emails

create an email address that's reserved exclusively for your job-search and formal activities

Disha15ROCKS@gmail.com

mukherjeedisha.93@gmail.com

Irrelevant hobbies and interests

hiring managers don't care about irrelevant hobbies, you can include your hobby if it's related to the position you're applying for

- Watching tv series
- Travelling
- Watching Sports

- Machine Learning
- Robotics
- Chess

Home Address

they don't need your exact home address. you can include your city, state, and zip code

324, Blackwood Street, San Andreas, TX, 100432

San Andreas, TX, 100432

Unnecessary design features

When it comes to writing a winning resume, simple is always better

 [Running sentence stating what you did and the averall amade of your work)

 [Led team's effects to do as by creating insenging as, resolved to increased value | profits, ' and
- Description applied for 11 and recommended to based on time and recommendents. (see he gainst have followed as hel automostique [Threeloged strange for moduling to non-prospective closels.] Band-noting, I promiting brand. routed in increased sweepeon copital commitments

- Distrained over to members to risk with promotional comparing
 Dispational conferences, appelled recent and community events.

SKILLS, WITH HIRES & INTERESTS

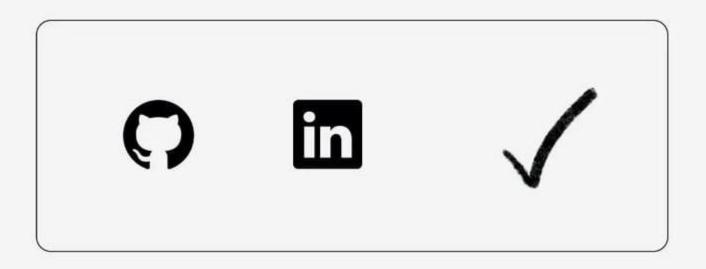

Languages: Floori in [14], Conventational Professory in [64] Technical Statle: [Lot any programming languages - not MS Office/Escal] Cordifications & Braining: [Any extra courses of programs relevant to finance]. Arthritis: [Studens Claim, Volumers Birds, Independent Australian]

Enterestry (Koop this to 1 of lines and he specific, do set go conficently

Personal Social media

Do not include accounts that host unprofessional personal content

In addition, create at least one professional online profile on sites like LinkedIn or GitHub (depending on your line of work)

Resume objective statement

This vague statement is a waste of space on your resume because it doesn't help hiring managers

looking for opportunities that will allow me to leverage my skills

instead, you can write about your relevant qualifications and career achievements that makes them wanna hire you

Silly Fonts

a simple font is the best font for a resume

this font is not a good for resume

This is a Good Font for a Resume
