## 7 Places Not to Waste

Your

Energy

(Swipe Left)

1. Don't waste your energy on the people who don't **support you.**  2. Don't waste your energy on what others think about you.

Don't waste your energy on one-sided relationships. 4. Don't waste your energy on the people who **need you** occasionally.

Don't waste your energy on solving the problems that aren't yours. Don't waste your energy on doing things just to stay distracted. 7. Don't waste your energy on impressing somebody who isn't interested.

## **Last Line:**

Become more aware of what's really worth your energy and time.
